According to SB108, All churches must notify BCI in writing if they wish to have concealed weapons restricted from their premises. A couple of highlights regarding this bill are;

1. (1) A person, including a person licensed to carry a concealed firearm pursuant to Title 53, Chapter 5, Part 7, Concealed Weapon Act, after notice *has been given* as provided in Subsection (2) that firearms are prohibited, may not knowingly and intentionally: (a) transport a firearm into: (i) a house of worship; or (ii) a private residence; or (b) while in possession of a firearm, enter or remain in: (i) a house of worship; or (ii) a private residence.

2. (4) (a) (i) Within 30 days of giving or revoking any notice pursuant to Subsection (2)(c), (d), or (e), a church or organization operating a house of worship shall notify the division on a form and in a manner as the division shall prescribe. (ii) The division shall post on its website a list of the churches and organizations operating houses of worship who have given notice under Subsection (4)(a)(i).

So, please be sure to tell all of your students to check on our website (www.bci.utah.gov) to see if their church has become a restricted area.

Are You Fingerprinting?

Instructors providing the fingerprint cards and printing students MUST make sure the student fills the card out COMPLETELY AND SIGNS IT. If the card is not COMPLETELY filled out, the application will be returned to the applicant, thus delaying the issuing process.

Upcoming newsletter?

If you are wondering about something, or if there is information you would like to share with other instructors, please send an email to JenniferJackson@Utah.gov (Note: please title your email "Idea for next newsletter") or call 801-957-8618.

AR Numbers and Naturalization Numbers

Please have your clients add their Alien Registration or Citizenship Naturalization numbers to their applications and their fingerprint cards. Without this number on the application we cannot complete our background check, as the Federal Government requires this number. Thus all applications missing this number will be returned to the applicant.

CCW Renewals

BCI is now automatically sending out a renewal packet approximately 45 days before CCW permits expire. Please complete the renewal application, include the fees (\$10.00 plus an additional \$7.50 if you are over 30 days late), and submit a new passport quality photo. We are asking for new photos on all renewals as the photos we have on file are now quite outdated. Once your information is received and processed, we will send you out a new CCW permit, please destroy your old one.

Utah Reciprocity

At the current time, Utah has a signed formal reciprocity with *Arizona, North Carolina, North Dakota and South Dakota*. These four states will honor Utah concealed firearm permits. BCI suggests permit holders contact any other state they are planning to visit to find out about that state's concealed firearm laws.

Just a note: Utah will honor any permit that has been issued by another state or county.
